09/01/2024

Krishnagar Women's College wined up the 'Student's Week Celebration', a wonderful initiation taken up by West Bengal Government, by hosting "A Legal Awareness Camp on Prevention from Sexual Harassment". This 'Legal Awareness Camp' was organized by the Internal Complaint Committee of Krishnagar Women's College on 9th January, 2024 in Bina Das Memorial Hall. The talk began at twelve noon sharp and continued for about two and a half hours. After felicitating our guest speaker, the programme began with an introductory session, which was delivered by Smt. Mala Ghosh (ICC, KWC, Presiding Officer, Associate Professor, Dept. of Bengali, KWC) to familiarize the pupils the importance of ICC. After that our Patron, Dr. Natasa Dasgupta (Principal, KWC) gave an inspiring welcome address. Following the welcome address, Smt. Ruma Ghosh (Ld. Retainer Lawyer, District Legal Authority, Nadia), our invited speaker, meticulously explained various facets of "Harassments" inside and outside the institutional campus, and how one can approach a legal and safe place to complain against the odds of society. One hundred and twenty-one students participated and many students cleared their confusions in the Q&A session, which was conducted after the lecture by Smt. Ghosh. The event concluded with a vote of thanks delivered by Md. Israfil Dhabak (ICC Member, Assistant Professor, Dept. of Geography, KWC).
