

Report on KWC EcoChamps Quiz Bowl 2025

Date: 03.01.2025

Time: 02:00 PM – 03:00 PM

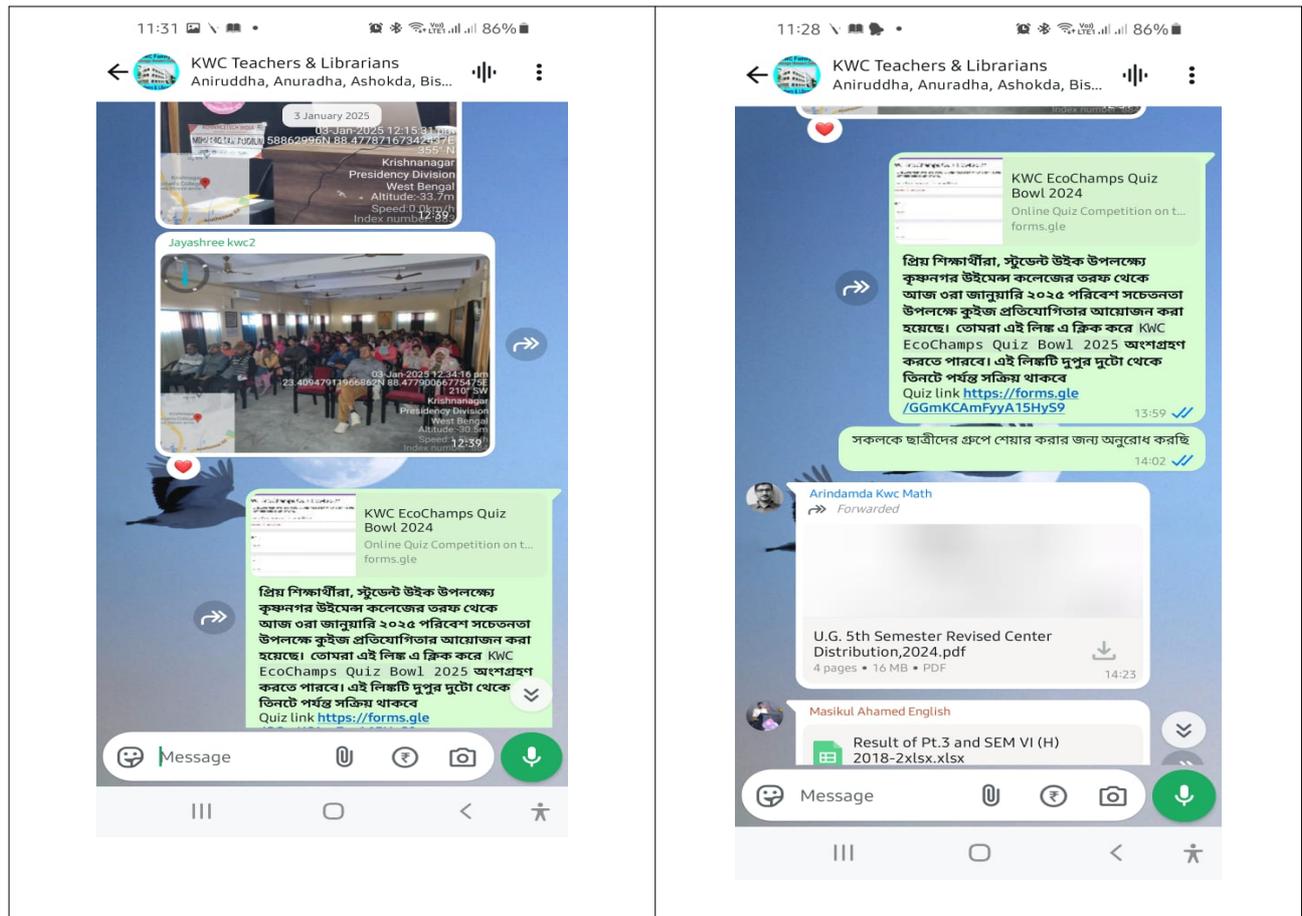

Venue: Online (Google Forms)

Organized by:

Department of Physics, Chemistry, Geography, Philosophy, Green Club, Cine Club
Krishnanagar Women's College, Nadia, West Bengal

Introduction

As part of the **Student Week** celebrations, Krishnanagar Women's College, Nadia, West Bengal, successfully organized the **KWC EcoChamps Quiz Bowl 2025** on **January 3, 2025**. This event aimed to promote **environmental awareness** among students and encourage active participation in sustainability initiatives. The competition provided a platform for students to test their knowledge on environmental issues, policies, and conservation strategies while fostering a sense of responsibility toward ecological preservation.

Event Overview

The **KWC EcoChamps Quiz Bowl 2025** was a one-hour online quiz competition, with students accessing the quiz through a designated link, which was **active from 2:00 PM to 3:00 PM**. The quiz consisted of multiple-choice questions covering various environmental topics, including:

- Climate Change and Global Warming
- Renewable Energy Sources
- Biodiversity and Conservation
- Environmental Laws and Policies
- Sustainable Development Goals (SDGs)
- Waste Management and Pollution Control

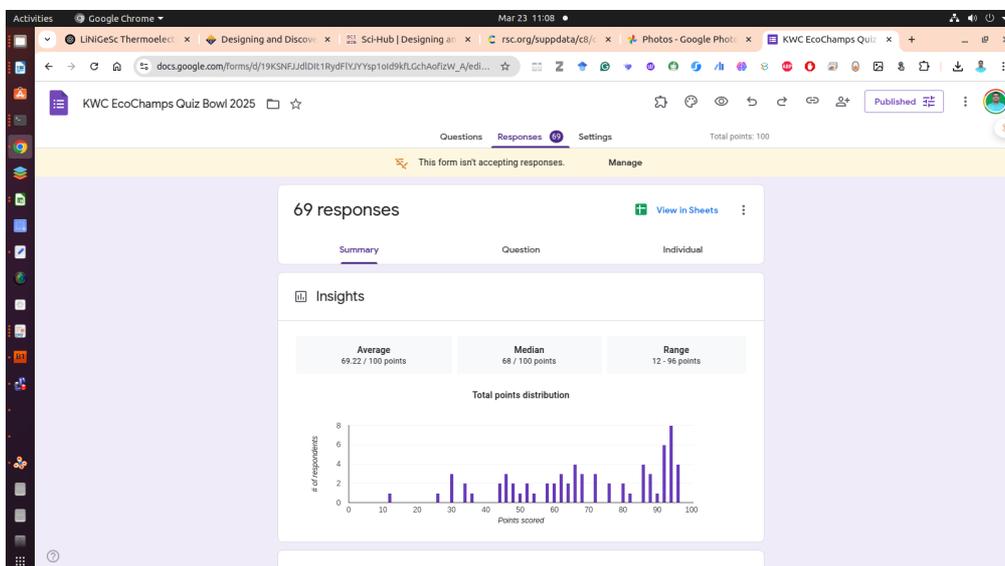

The event was meticulously planned and executed by all **Science Departments** of Krishnanagar Women's College, ensuring smooth coordination and participation.

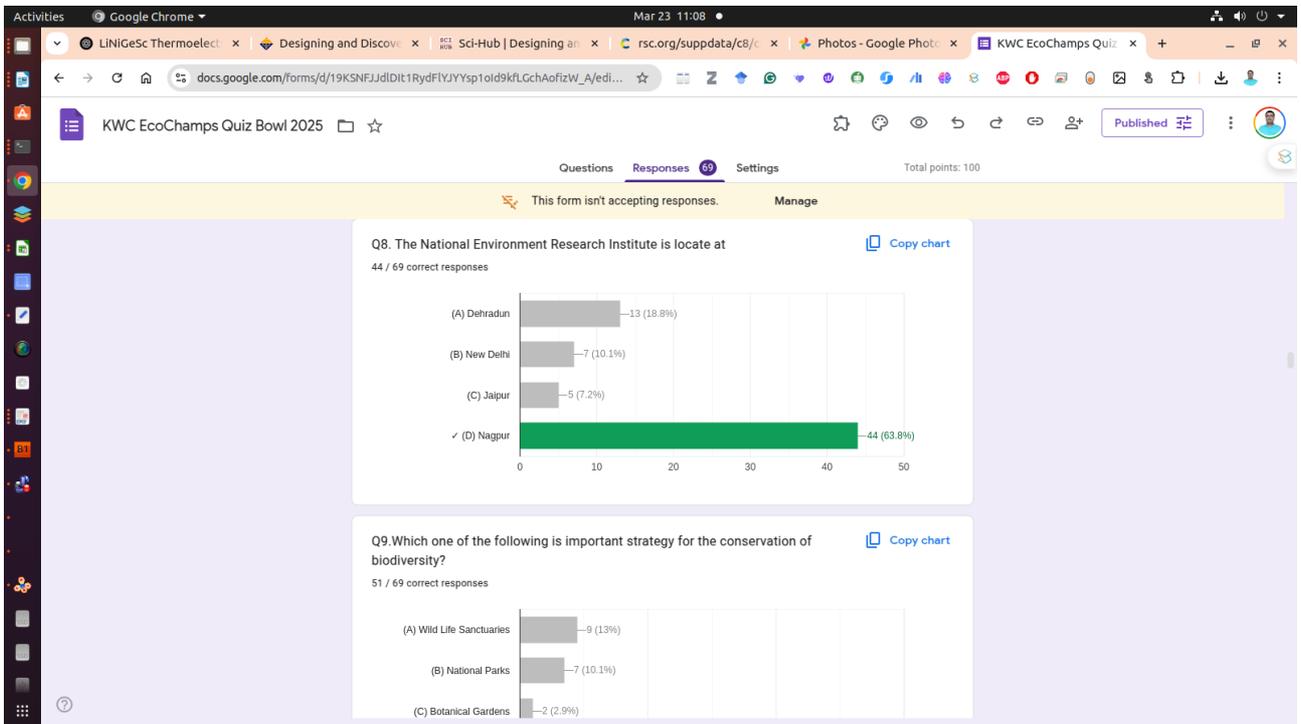

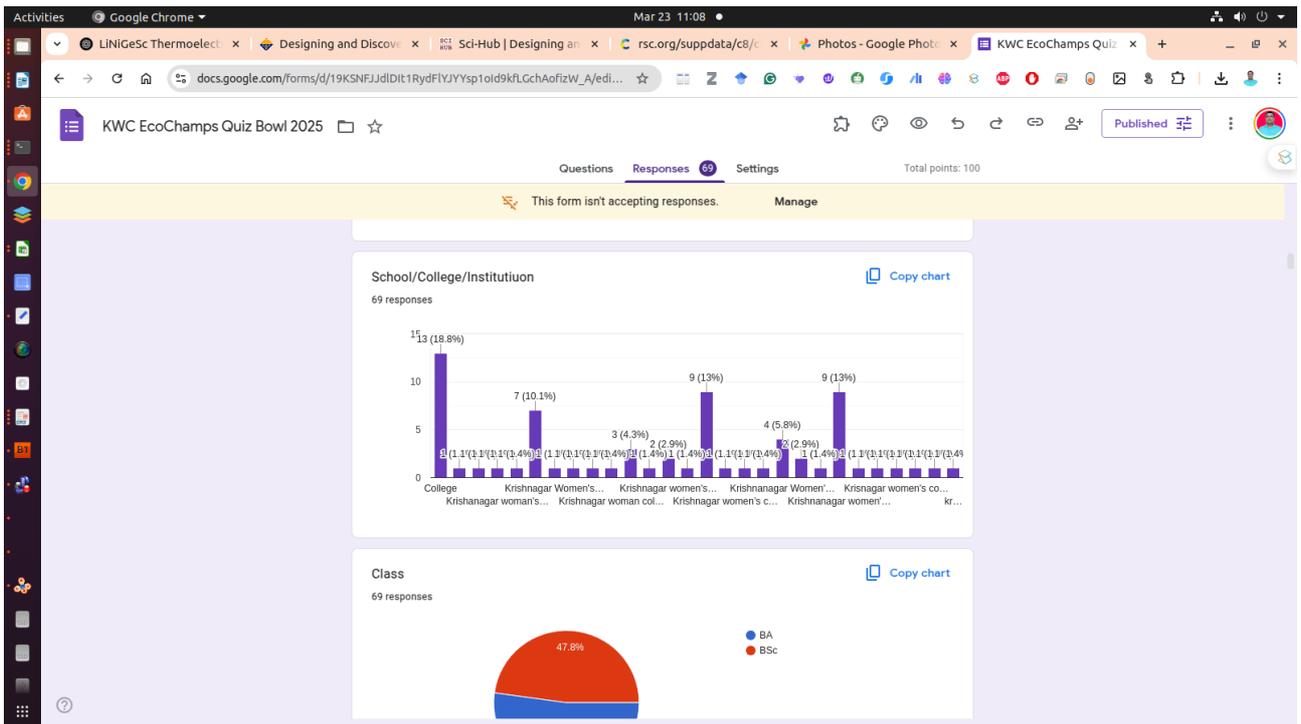

Coordination and Participation

The quiz was **coordinated by Dr. Sajal Biswas, Assistant Professor and Head of the Department of Physics**, with active support from faculty members across various science disciplines.

Participation Highlights:

- A total of **69 students** participated in the event.
- The competition witnessed enthusiastic engagement, with students from different academic backgrounds showcasing their knowledge and awareness of environmental issues.
- Many participants expressed their appreciation for the initiative, stating that the quiz helped them understand key environmental challenges and motivated them to adopt more sustainable practices.

| 1/3/2025 15:48:30 | 92 / 100 | Soumi karmakar | krishnagar women's college | BSc | Geography | 2 | 54 | 18th |

After evaluating the responses, the top performers were identified based on their scores. The **top 18 students** who secured the highest marks are as follows: **Certificates of Merit** were awarded to the **top 3 winners**, while **certificates of participation** were given to all students who took part in the quiz.

Insights and Impact

- Encouraging Awareness:** The quiz highlighted the growing concern for environmental sustainability and inspired students to learn more about climate action and eco-friendly practices.
- Interdisciplinary Learning:** With questions spanning multiple aspects of environmental science, students from various fields gained exposure to the **interdisciplinary nature of environmental issues**.
- Competitive Spirit and Knowledge Enhancement:** The event fostered a **healthy competitive spirit**, motivating students to improve their understanding of sustainability and conservation.
- Feedback and Future Initiatives:** Many students suggested organizing similar events in the future, including **workshops, discussions, and hands-on environmental activities** to further enhance awareness and practical knowledge.

Conclusion

The **KWC EcoChamps Quiz Bowl 2025** was a resounding success, achieving its goal of spreading environmental awareness among students. The enthusiastic participation and positive feedback highlight the importance of such initiatives in academic institutions. Moving forward, Krishnagar

Women's College aims to **expand its environmental outreach efforts** by organizing more interactive events and discussions to promote sustainability and eco-conscious behavior among students.

This event reaffirms the college's commitment to fostering **environmentally responsible citizens** and creating a greener future.
