Online Quiz Contest on World Environment Day

The Departments of Physics, Chemistry, and Geography are excited to announce an Online Quiz Contest in celebration of World Environment Day. This event aims to raise awareness about environmental issues and promote sustainability among students, faculty, and the general public.

Event Details:

Date: 5th June 2023

Time: 11:00 am - 1:00 pm

Platform Used: Google Forms

Registration and Participation: Participants are required to log in to a Gmail account using their email credentials to access the quiz on Google Forms. The questions will cover various aspects of the environment, including environmental issues, conservation, climate change, and sustainable practices. The quiz link will be provided in the whatsapp group of the students and in the college website in the due course of time.

Participation Certificates: Every participant will receive an e-certificate of participation to acknowledge their efforts and involvement in the quiz contest. These certificates will serve as recognition of their engagement in promoting environmental awareness.

We look forward to your active participation and enthusiasm in making this event a success. For any queries, please contact the Department of Physics.
